

HOW TO BUY A HOUSE

in 9 easy steps

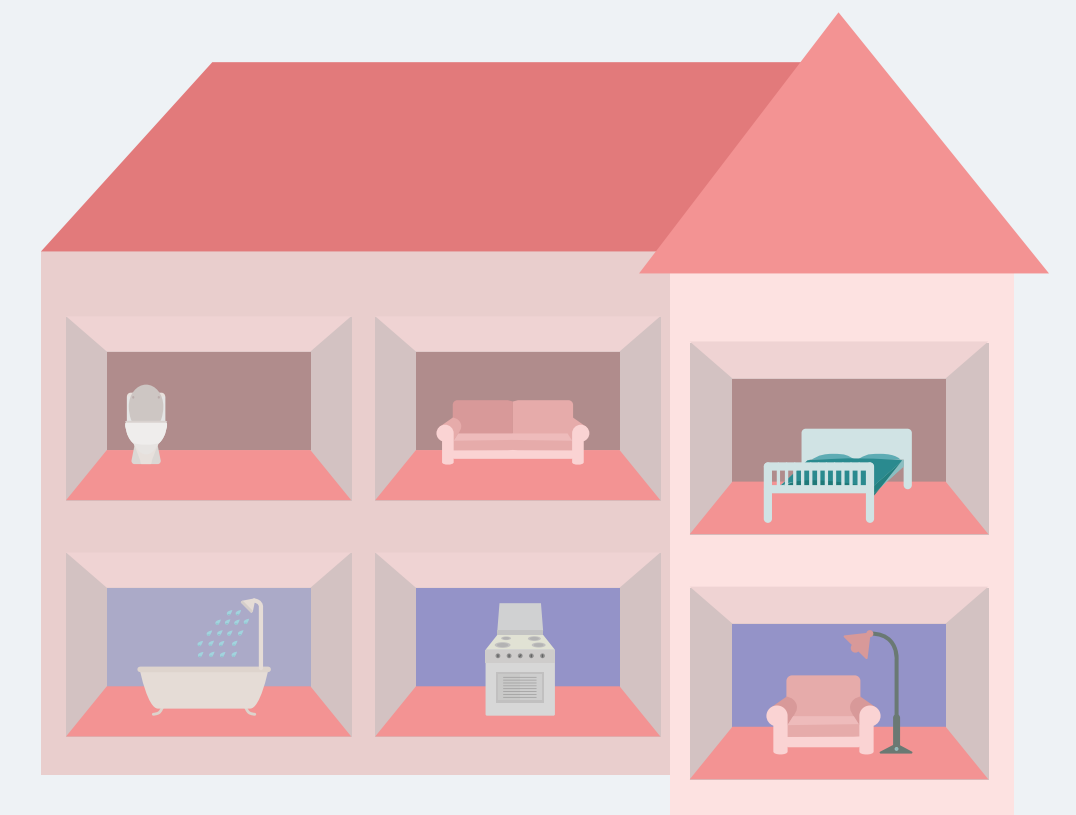

Get a REALTOR®

They are the expert when it comes to forms, pricing and negotiating.

Get Pre-Approved

Find out how much you can afford before you start searching.

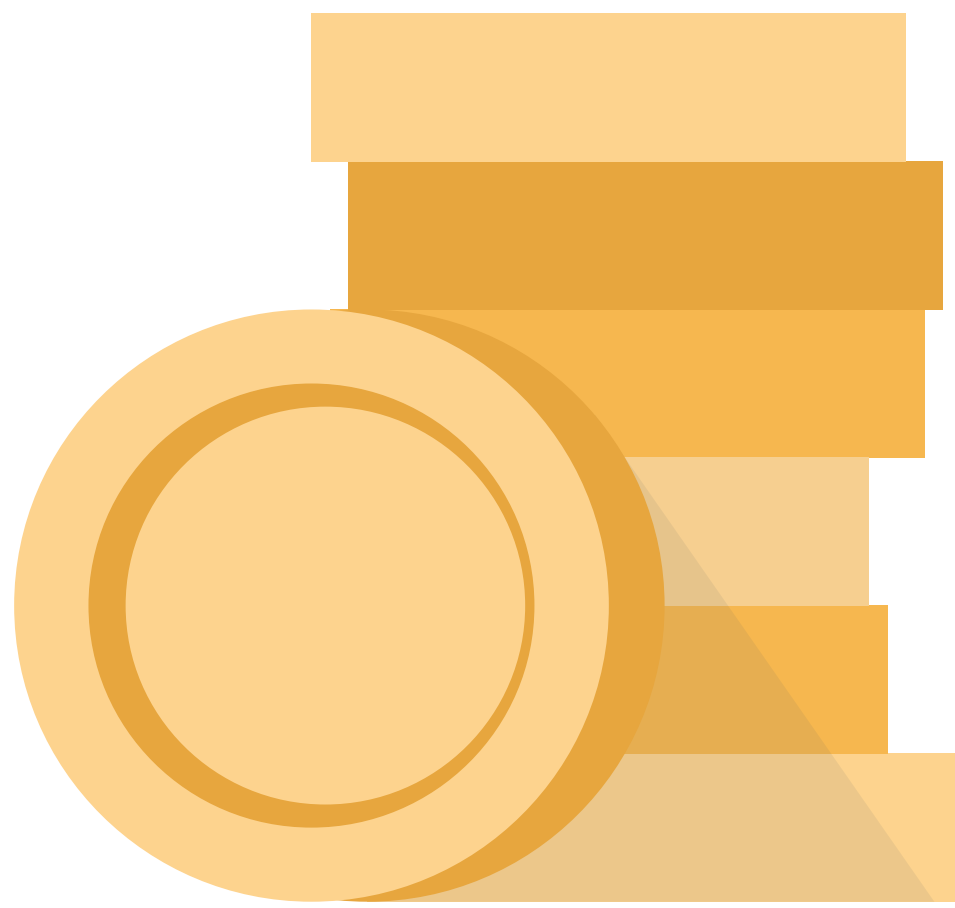

Look at Homes

REALTORS® can help you make the decision that's right for you and they know the local market.

Make an Offer

Your REALTOR can help you get the best price and terms for your contract.

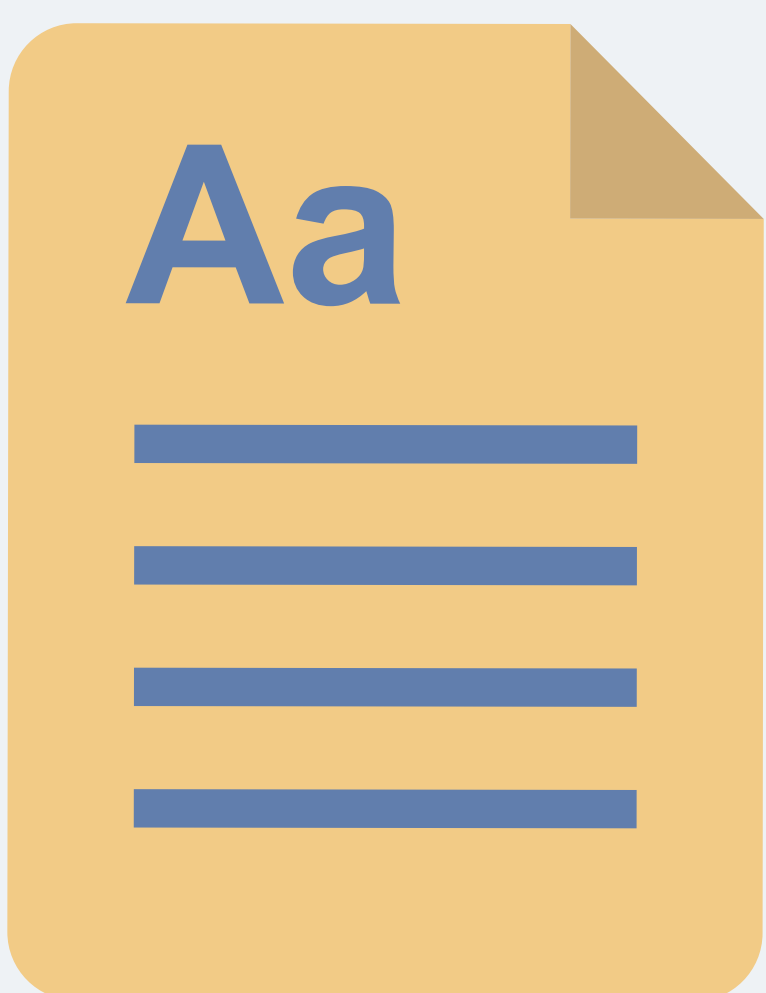

Get Funding

Don't forget about interest, closing costs and taxes.

Choose a Home

Make sure it meets your needs and fits your priorities.

Get Insurance

No homeowner should be without insurance.

Closing

You're almost there! Closing brings together all parties involved in the transaction.
