

# Tips for Buying in a **TIGHT MARKET**

Homes are selling fast in many areas. How can a buyer be prepared so they don't lose out on a home?

# 1

## **Get Pre-Qualified for a Mortgage**

A pre-qualification will help you know how much home you can afford.

# 2

## **Be Ready to Make a Decision**

Know your priorities and where you are willing to compromise. Know that in a tight market, you may not have the luxury of waiting too long to make a decision.

# 3

## **Work Closely with your REALTOR®**

Stay up to date on the latest listings, get inside information on the market and have an expert guide you through the process.
